The Miraculous Medal
A sign of love

The Miraculous Medal is a sign of the love of Jesus and Mary for us.

In the year 1830 the Mother of God appeared in Paris to the saintly religious sister Catherine Labouré. During this apparition she entrusted her with the embossing of the medal. Since the Catholic Church's official recognition of the medal, over a billion medals have been made.

Countless people have been helped by the Immaculate by means of this medal in all physical and spiritual needs, often in a miraculous way. This is as she has promised St. Catherine Labouré. **«Those**

who wear this medal, will receive great graces. These graces will be abundant for those, who have trust in it!» Thus the medal will also be a sign of our love and trust in Jesus and Mary.

Make good use of this exceptional gift of heaven!
