

100th Anniversary *of Fatima 1917-2017*

The children: Lucy, Francisco, Jacinta —
whom appeared Our Lady in Fatima in 1917

The children of Fatima

Blessed Francisco Marto (June 11, 1908 — April 4, 1919)

Francisco could see Our Lady when she appeared in Fatima, but could not hear her speak. After each apparition, Lucy and Jacinta had to tell him what Our Lady had said. He preferred to contemplate in solitude, and was able to consider in a very deep manner what he had seen. He said very often: “I am suffering to console Our Lord”.

Blessed Jacinta Marto (March 11, 1910 — February 20, 1920)

Jacinta had a tender and affectionate heart which was seized with fright at the sight of so many souls falling into the fires of hell. The dominant thought which haunted her and animated all her supernatural activity was the salvation of souls. She had an ardent thirst for their conversion, a genuine missionary zeal. She looked for sacrifices to offer for sinners.

Sr. Lucy dos Santos (March 28, 1907 — February 13, 2005)

Lucy had been chosen to be the principal witness of Our Lady before the whole world. One can say that her life was an explanation of the GREAT MEANS of SALVATION in the latter times: MARY'S IMMACULATE HEART! On December 10, 1925, Our Lady appeared to Sr. Lucy and asked about the spread of devotion of the Five First Saturdays. In Pontevedra (February 15, 1926), Jesus in the form of a child repeated this request. On June 13, 1929, in Tuy Sr. Lucy had a vision of the Holy Trinity and Our Lord asked about the consecration of Russia to the Immaculate Heart of Mary.
