

# 100<sup>th</sup> Anniversary of the Militia Immaculatæ

# Marian praises

by St. Maximilian Kolbe

**Grant** to me that I may praise you, most Blessed Virgin.

**Grant** that I may praise you with all my strength.

**Grant** that I may live and work and suffer for you and for you alone, that I may be consumed and die for you.

**Grant** that I may contribute to your greater and more extensive glorification.

**Grant** that I may pay you such homage as no one has yet paid you.

**Grant** that others may surpass me in their zeal for your glorification and that I may then, as though in a noble competition, propagate devotion to you ever more deeply and swiftly and magnificently, as desired by Him Who exalted you so ineffably above all other creatures. Amen.
